### CAREER SUMMARY

I am a fulltime Data Analyst with background of Software Engineering & Consultancy having expertise in US SEC Compliances, Power BI (MS certified associate), CISCO networking, and network security. Currently, I am working as a Data Analyst after promoting from Filing Specialist at WSD. I've also interned as a Software Engineer and Consultant at Asia Japan Real Estate Dhaka Ltd and Bengal Software. I hold a Bachelor's degree in Computer Science and Engineering from North South University, and my skills include U.S. SEC filings, corporate communications, and proficiency with tools like MS Excel, Power BI, Dreamweaver. Besides that, I have experience with computer networking such as CISCO, Mikrotik devices which includes IPsec VPN, ACL, ASA firewall and so on.
